RE: Reporting under section 301.03 (6r) Wisconsin Statutes

Dear Sirs:

As required under Section 301.03 (6r) of the Wisconsin State Statutes, I am submitting information relative to the number of Persons in our Care (PIOC) that the Department of Corrections (DOC) considers violent and the total number of PIOC.

	Males		Females		Total	
	PIOCs	Violent PIOC	PIOCs	Violent PIOC	PIOCs	Violent PIOC
12/31/2021	18,728	13,290	1,220	600	19,948	13,890

The DOC defines "Violent PIOC" in accordance with Section 301.048(bm) and with standards set by the Correctional Leaders Association. This definition is based upon conviction of certain crimes, not current behavior within the DOC institutions.

Total number of PIOC is defined as adult PIOC assigned to a Type "1" prison in state and in contract facilities. This does not include offenders under supervision of the Division of Community Corrections (DCC) held in a Division of Adult Institution (DAI) facility as an Alternative to Revocation (ATR) or pending revocation. It also excludes PIOC pending

revocation, pending admission, county holds, PIOC's serving another state's sentence who are in a Wisconsin DOC facility, and PIOC's currently in escape status.

If you have any questions or need any further information, please contact Paulina Gutierrez at 608-240-5056.

Sincerely,

A handwritten signature in black ink that reads "Kevin A. Carr". The signature is fluid and cursive, with the first name "Kevin" being the most prominent part.
